

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

BOXABL INC.,
 Plaintiff(s),
 v.

JONATHAN GARMAN,
 Defendant(s).

Case No. 2:23-cv-01213-RFB-NJK

Order

[Docket No. 75]

Pending before the Court is a stipulation to extend case management deadlines in light of the parties' discovery disputes. Docket No. 75.

The stipulation is denied in two ways. First, the deadline to amend or add parties expired a month ago, *see id.* at 3, and the Court has not been provided with sufficient explanation for a need to revive that deadline or of excusable neglect, *see* Local Rule 26-3.¹ Second, the Court declines the invitation to set floating deadlines as opposed to calendar dates. *Cf.* Local Rule 26-1(b)(1) (requiring discovery plans to include a "calendar date" for the discovery cutoff).

With those caveats, the Court finds good cause for a 60-day extension to the case management deadlines. Accordingly, the stipulation is **GRANTED** in part and deadlines are **SET** as follows:

- Amend pleadings/ add parties: closed
- Initial experts: August 21, 2024
- Rebuttal experts: September 20, 2024
- Discovery cutoff: October 21, 2024
- Dispositive motions: November 20, 2024

¹ If the need to amend or add parties arises, the request for that relief must also explain why the pertinent standards are met to modify the scheduling order.

- Joint proposed pretrial order: December 20, 2024, or 30 days after resolution of dispositive motions

IT IS SO ORDERED.

Dated: June 25, 2024
